Mr. Tony Gallaegos
Reclamation Engineer
State of Utah Division of Oil, Gas, and Mining
3 Triad Center
Suite 350
Salt Lake City, Utah 84180-1203

Dear Mr. Gallaegos:

The operating responsibility for the Vernal, Utah Phosphate Mine was changed on January 1, 1990 from **Chevron Resources, Inc. to Chevron Chemical Company**. The assets are owned by Chevron USA Minerals Industries, and the ownership will remain unchanged.

This letter is to inform you of the change in operating responsibility. The Reclamation Bond is with United Pacific Insurance. We are in the process of making any necessary modifications to the bond to recognize the change in operating responsibility. Ms. K. L. Zelnick of the Chevron Corporation Treasurer's office is handling communications with United Pacific Insurance Co.

Your office will be notified as soon as any changes to the bond are complete.

Sincerely,

J D Carson
